## ORIGIN OF OUR FRUITS AND VEGETABLES

Our fruit and vegetable ingredients are obtained from different parts of the plant: pulp, juice, pericarp, seeds, etc. They are elaborated in order to provide you with high organoleptic and nutritional functionalities.

They are essential in your formulations for their nutritional, aromatic, colouring, etc. contributions.

## ADVANTAGES OF OUR RANGE

Our fruit and vegetable powders are gluten-free and from organic agriculture. We offer a 100% fruit and vegetable range: banana, plantain banana, sweet potato, carrot, butternut, etc.

Our powders can be used as an alternative to traditional flours in a variety of applications such as bakery products, ready meals, sauces, etc. by enhancing the taste of the dishes.
